Dear aunt and grandpa

(Damaged part of the letter) some time to write a few words to you. So I want to tell you that we are healthy and we wish you the same from the bottom of our hearts. We got the Letter and the Parcels from you for which we thank you very much. I was writing a Letter to Mummy today and together I think she will receive it soon Jurek wrote back to you and Wojtuś made a cross mark and will be happy. Besides this nothing new we work in the same place we worked before. Wojtuś is polite and has grown up a lot but we miss our parents and all of you. To finish, we send you our best wishes. Hugs and kisses (...) Wiesia

Dear aunt!

I want to tell you dear aunt, that both me and Jurek are healthy and we wish you the same from the bottom of our hearts. Our beloved Wiesińska has gone away from us. She whent to the countryside today. We were very sorry to see Wiesińska go away from us but we couldn't do anything. Do not worry about Wiesińska, she will be better off there than here.
